Guests at "Enchanted Evening," Johnson Health Network's Ninth Annual Spring Gala, danced the night away amidst an elegant garden décor while raising money for a great cause — the refurbishing of patient rooms in Johnson Memorial Hospital's Medical/Surgical Units. The spectacular black-tie affair, which was held at the Hartford/Windsor Marriott Airport on Saturday, March 29, raised more than \$53,000 toward this exciting effort.

The Gala featured dinner, dancing, live entertainment, auctions and a raffle. **Clark Kearney** of Durham, Vice President of Human Resources at JMH, won first prize in the raffle, a trip for two to the renowned Marriott Desert Springs Resort and Spa in Palm Springs, California. **John Bauer** of Deep River won second prize, a trip for two to the beautiful Harbor Club in Palm Coast, Florida. **Jim Tanski** of Glastonbury took home third prize, a Weber Stainless Steel Gas Grill (Model Genesis Gold D).

Honorary Chairperson of this year's Gala was **Randy Edsall**, Head Coach of the University of Connecticut Football Team. **Lawrence Tracey** of Enfield served as Chairperson. Members of the planning committee included **Dr. Charles Bizilj** of Ashford; **Dr. Michael Bernstein**, **Lynn Malec** and

Angie Roman of Suffield; **Bobbi Collyer**, **Michele D'Amour**, **Joyce Keating-Davis** and **Diane Lerz** of Somers; **Carmela Brennan** and **Richard Stevens** of Enfield; **Sandra Clark** and **Patricia Fenton** of Stafford; **Luis Ferreira** of South Windsor; **Christine Sikora** of New Britain; **Joanne Wright** of Vernon; and **Chris Casey** and **Diane Perko** of Johnson Development Fund, Inc.

Many individuals, businesses and organizations showed their support of the Gala by serving as sponsors. Platinum sponsors were **Hartford Anesthesiology Associates, Inc.**, and the **Johnson Memorial Hospital Medical Staff**. Gold sponsors included **Fleet Bank**, **Jefferson X-Ray Group, Inc.**, and **Reid and Riege, P.C.** Silver sponsors were **Connecticare**; **Friendly Ice Cream**; **Hallmark Cards, Incorporated**; **Mr. and Mrs. Alfred A. Lerz**; the **Mistretta-Strom Family**; **O'Brien, Tanski & Young**; **Stafford Savings Bank**; **Sterling Machine Co., Inc.**; **Tobacco Valley Sanitation** and **U.S.A. Hauling & Recycling, Inc.**

Planning for the Tenth Annual Spring Gala, to take place in 2004, will begin shortly. If you would like more information, please call Johnson Development Fund, Inc., at (860) 684-8109 or (860) 749-2201, extension 8109. ■

The TranStar Procedural Stretchers, manufactured by Hill-Rom, the world's leading producer of patient care products, offer many special features, including unmatched maneuverability; custom tuck-a-way siderails; ergonomic transport handles; a radiolucent surface; and convenient, functional controls. If you would like more information or would like to make a gift to JSC's new giving appeal, please call Johnson Development Fund, Inc., at (860) 684-8109 or (860) 749-2201, extension 8109.

The JMH Auxiliary: 90 Years and Still Going Strong

Congratulations to the Johnson Memorial Hospital Auxiliary on its 90th anniversary! The Auxiliary, which was originally known as the Ladies Society for Organized Aid to the Hospital, has played an instrumental role in bringing new and enhanced services to the community since April 1913, just one year after the opening of the Cyril and Julia C. Johnson Memorial Hospital. Today, it contributes thousands of dollars a year towards various healthcare services, including medical/surgical, pediatrics, obstetrics and gynecology and others. Funds are raised through events such as an annual fashion show, women's golf tournament and various sales, as well as through the operation of a successful gift shop in the JMH lobby.

If you would like more information about the JMH Auxiliary, please call Johnson Development Fund, Inc., at (860) 684-8109 or (860) 749-2201, extension 8109. ■

EHCC TURNS ITS ATTENTION TO *The Beauty Within*

Following the success of last year's *Reflections of Life* campaign, which led to the renovation of a beautiful outdoor patio and gazebo area, Evergreen Health Care Center (EHCC) has launched a brand new giving appeal in support of another exciting beautification project. Referred to as *The Beauty Within*, the campaign seeks to raise \$10,000 to offset the costs of indoor improvements such as new wallpaper in several areas, furniture replacements and carpeting. In addition, the facility plans to use funds raised to add to its extensive collection of artwork and to purchase a large-screen television for the enjoyment of residents. These improvements, and others, are in keeping with EHCC's mission to provide only the most comfortable and inviting atmosphere possible.

"We want those who live here to be as pleased and content with their surroundings as they can possibly be," says EHCC Vice President Laura Crosetti. "Our residents deserve the best, and it's our job to give it to them. Their happiness and our reputation hinge on this commitment."

Since its opening in 1989, EHCC has enjoyed a reputation of being one of the most lovely nursing care facilities in eastern and north central Connecticut. All 150 rooms in both the

EHCC's 2002 campaign funded the renovation of a beautiful outdoor patio and gazebo area, as shown above. This year's campaign, The Beauty Within, will support an exciting indoor beautification project.

long-term care and subacute rehabilitation units are tastefully decorated with décor and furnishings that create a cheerful, homelike feel. The elegant formal dining room, interfaith chapel, resident lounges and other recreational areas are also very inviting and provide a wonderful backdrop for residents to enjoy quiet moments alone, the company of fellow residents or visits with family and friends.

Evergreen is counting on the support of surrounding communities to help make *The Beauty Within* a success. If you would like to make a gift or pledge toward this effort, please call (860) 684-6341, extension 101. 📞

Teen Volunteers *Take Action*

Johnson Memorial Hospital enjoys the support of a kind and compassionate group of teenagers known as the Teen Volunteer Action Council (TVAC). Each year, members of TVAC sponsor a wide variety of fundraising activities and events to benefit Hospital services. This year, the group has expressed its commitment to raise funds for the Emergency Department (ED). Approximately \$4,000 has already been raised, and the teens are working with members of the Emergency and Administration Departments to determine how these funds can best meet the needs of patients. They have already contributed approximately \$100 in toys to the E.D. Express, a section of the Emergency Department that treats patients with non-life threatening illnesses and injuries and has a special focus on pediatrics. Shown above unwrapping the toys are Physician Assistant **Laurie Osden** (left), of the E.D. Express, and TVAC President **Crystal Quagliaroli**. 📞
